

Herts Vision Loss

Complaints Policy – Fundraising

1. Introduction

This policy is intended to underpin Herts Vision Loss's commitment to adopting and following good practice in all its fundraising activities. The Charity will always endeavour to work to high standards in raising money to fund the Charity's services; but recognises the right of any individual or organisation to raise a complaint if it is felt that the Charity have not acted to those high standards.

HVL are Organisational Members of the Institute of Fundraising (IoF), which sets standards of fundraising practice and management through Codes of Practice. In addition, it is a Member of the Fundraising Standards Board which has a brief to ensure adherence to the IoF's Codes of Practice and the Fundraising Standards Board's own Fundraising Promise which commits organisations to the highest standards of practice and ensuring that all fundraising activities are open, fair, honest and legal.

The Fundraising Standards Board also provides a channel for complaints; starting with the organisations own procedure and will take on the later stages of any complaint if it cannot be resolved at local level. This policy details that procedure.

2. Scope

This policy is designed to deal with complaints within the scope of the Fundraising Standards Board's procedure, i.e. breaches of the Institute of Fundraising's Codes of Fundraising Practice and/or breaches of the Fundraising Promise. The Fundraising Standards Board will only deal with a complaint if the complainant has been through the charity's internal procedures first but was not satisfied with the decision.

Anyone who requests information on making a complaint will either receive a copy of this policy and our Fundraising Promise within 14 days of making the enquiry or, alternatively, will be directed to the Charity's website, where these documents can be viewed and downloaded.

The complaint must be made to Herts Vision Loss within three months of the incident complained about.

3. Complaints Procedure

Any complaint to be addressed to the Complaints Coordinator in the first instance; contact details at the end of this document.

Stage 1 – Internal procedure

The Complaints Coordinator will acknowledge receipt of the complaint within 14 days and record the complaint on a Fundraising Complaints Form.
